SUBJECT No. 292

Improvement of the water-supply at Chikka Tirupati, Malur Taluk.
Mr. Venkatasami-Gowda, Malur Taluk.

Mr. Venkatasami Gowda.—(1) The Gajendra Moksha Kunte at Chikka Tirupati temple in the Malur Taluk may be improved so that water supply during the Jatra in the month of Chaitra may be ensured.

(2) The road from this temple leading to the Nonamangala District Fund road may be permitted to be repaired at the cost of the temple funds. The length of the road is 2½ miles and funds are available. The Taluk Board has got no funds at its credit to improve this road. Every year a big cattle fair is held and there is an income of nearly Rs. 1,000 to the temple. From the funds at the disposal of the temple, this road might be improved.

First Member of Council.—This may be discussed in the District Board and the Government addressed in the matter.
